VINTAGE LOVE CARDS. As you have probably noticed, 'vintage' is very 'in' and these cards are perfect for when you want something that is perfect for any occasion...with many many techniques.

FAUX CLOISONNE is a technique that truly mimics the lovely art pieces you often see. Now you will be able to learn how to make cards that look just like the real thing.

GET DIGI will be offered at 5:30. You'll learn how easy it is to 'get digi' with the great program that we carry. You'll work with actual photo paper that is 12 x 12.

EASEL CARDS with the secret in the folding. You'll love learning how to do this as you make adorable Easter/Spring cards.

SHARING SATURDAY....this is truly a favorite session that is offered FREE.....The first 10 to register will get to do a hands on session learning how to do the projects presented by our 'presenters'. Five people will be invited to share their skills with the group. There is no limit to how many of you can attend but in order to do the projects, you must be in the first 10 to register.

MEMORY GLASS CARDS is always a favorite and this is no and exception. You'll learn how to work with glass to achieve this unique look.

STAMP OF THE MONTH—EASTER THEME will have bunches of great techniques for you to incorporate into these great cards. You'll make all the cards on the board and receive a beautiful stamp.

EMBROIDERY CARDS are lovely and we are so happy to have great colorful metallic threads for you to work with as well as you create these delicate designs.

FROSTED WINDOWPANES are beautiful cards that are enhanced with with dryer sheets to create the look of frosted windowpanes.....you will definitely love these cards.

VINTAGE CARDS WITH ENVELOPES....These classy cards are done with our Graphic 45 papers and embellished with vintage buttons and lace that is made to look old. We'll show you how.....and wait until you see the envelopes....!
SHAKER CARDSalways fun to make AND to receive as your cards have beautiful beads in the shaker box to add interest

.SPIRELLI.....and there is a wonderful new punch that is now available and also a Nestability that is adaptable to your Spirelli art.

CARDS 4 THECOMMUNITY this month will honor our troops that are in the Middle East fighting to keep our land safe. Why don't YOU come and join us in this worthwhile cause. Nothing makes you feel better than 'giving of yourself'.....We have a few of you that come every month but we NEED more of you to support us.....our volunteers from the community are wonderful but we have too few from the store.....honest.....

ALL THAT GLITTERS.....You'll learn how to work with sticky paper.... Glitter....and punches to create gorgeous cards.

IMPRESSIONABILITIES...these are similar to our Embossing Folders however, we have been told that our Cuddlebug Embossing Folders will not be shipped until mid-May.....well, low and behold, hasn't Spellbinders come out with something similar and you will learn how to work with them at this great class.

GET AHEAD CHRISTMAS....Stay on top of this and you'll be all set for Christmas (which is just ten months from today as I write this...) These cards will be done with Tombows and Acetates which will be awesome.

RECIPE CLUB: We'll make a book.....and have a sampling of a different dish each month.....more info to follow.

PAM'S BOOK CLASS (ONLY AT 11:30) This month's class will be just in time for you to whip up something special for a little Easter remembrance.

MAKE-A-CARD...Come in and make a free card and just see how creative you are.

CRICUT SWARM....Share ideas and cartridges and enjoy 'playtime'!

TRAPEZE is a beautiful delicate technique that is loved by those of you that make them and by those that will receive them.

MOSIACS is a new technique class where you will work with the great stickers from Ecstasy. Be sure to check out the class board within the next few weeks.

EASTER AND H2OS....with great stamps and cute little cottontails as we prepare for Easter.
