BLACK & WHITE 6 PAK WITH FOLDER.....a lesson in rubber stamping. See the variety of finished looks you can achieve. You may prefer to keep them as simple, elegant black and whites or use another medium of color.

THANK YOU NOTES WITH CARD BOX....Can't everyone use thank you notes after Christmas? This is a lovely gift item...featuring Spirelli designs.

SCRAP BOOKING 101: Make this one of your New Year's resolutions....to get caught up with all those photos.....We'll show you how to choose your colors for pages...mats...everything to make your photos "pop" and to start 'creating your legacy.'

PAM'S BOOK CLUB EDITION is back with another great book to help you organize your life.....or to create as a gift for someone special. Once you learn how to do this one, you'll be off and running!

SHOP HOP BEGINS ....Friday...Nov. 6 thru Monday Nov. 16.....Join in the fun....reap the benefits.....enjoy the fellowship....and create the Make 'N Takes!

6 BY 2...LEARN HOW TO.....make 5 cards from 2 sheets of paper....in fact, it will teach you to shop with a different mindset. These are perky, adorable Christmas cards that you will love making and sending.

ELEGANT TREES...You'll love the simple elegance of these cards. Make them in all colors and patterns and keep them ready to send to family and friends. You can choose traditional colors, metallics, or funky colors.

FOLDING TECHNIQUES....This will open a whole new concept for you that you can adapt to your needs plus you'll have fun making them.

STAMP OF THE MONTH (with a free stamp) is pure Christmas ....WITH Vintage Santas and holly. You'll use several different mediums and products as you create a whole collection of cards.....always a favorite.

BARZELLO...a new technique (that I probably spelled wrong)....but you'll love it when you see it. The finished product looks like you've spent hours weaving the paper but...you've got a secret. You will love the finished product and will use it over and over throughout the year....

MAGIC WITH NESTABILITIES....in this class you will learn to make

adorable little boxes for small gifts and gift cards. The Nestability line is growing both in popularity and versatility.

SIGNS OF THE SEASON....Learn how to work with shipping tape, glitter, punches, and our fabulous sticker line as you create beautiful cards....and pair them up with coordinating bookmarks for that little extra something to include in your cards.

CARDS FOR THE COMMUNITY will be Thanksgiving Cards for the First Responders.

ALL OCCASION FLOWER-SOFT CARDS.....Learn new ideas working with this Great product as you use stamps and toppers to create.

GET DIGI Learn the basics of working with the digital programs that we carry. You'll leave with confidence that you can do this and STILL KEEP your Creativity flowing by using 'real' embellishments.

BLACK FRIDAY.....Great sales!.....and specials.....!

CRICUT SWARM.....This is a papercrafters play day.....so come join us.

ORNAMENT TOPPERS.....The only thing I can say is they are GORGEOUS and a 'must have' for your tree. They are made with vellum, papers, sparkly glitter, beads, ribbons.....wow.....a great gift for those that you want to remember with Something for Christmas.

NOTE: SAVE THE DATE.....JAN. 30 IS OUR NEXT SHARING SATURDAY!!! What a hit this is.....don't miss it.....First 5 to register can be our presenters..... Limited to 10 attendees.....

**DON'T FORGET.....our Consistency Class Club...take 8 classes and the 9th one is FREE.....!!!!!! (Don't you love that?)**
