January 2010

A Newsletter for the Friends of "JUST SCRAPPIN'"

SNOWFLAKES ARE WINTER'S BUTTERFLIES

Life does seem to race by, doesn't it? Here we are, entering a new decade when it seems like a 'blink ago' that we were anxiously awaiting the new Millineumand we are starting the 4th year of Just Scrappin'.....I just can't believe it.

If you are local and get the Sun-Herald, I hope you read today's article about the store. I was thrilled when they asked to feature us....that's truly the best publicity we could ask for.....and this week-end they will be announcing the winners of the People's Choice again put on by the Sun. I'm Anxious to see where we placed....each year that we have been in business we have placed #2 (behind Michaels)....so we'll see if we were able to 'unseat them'. All of this is because of you, our wonderful, loyal customers who fill our store with laughter, sharing, and fellowship. That warmth and Supportive spirit is what gives us the wonderful reputation we enjoy. Remember, together all things are possible. Shop local and keep your tax dollars working for YOU. Buying on line can be fun but it DOES NOT keep local independent stores in business plus, you have to pay freight or somehow it is built into the cost of goods. If you find something on line that you like, we will do everything possible to get it for you.

I hope you enjoy the added incentives we have added for the new year.

I also hope your Christmas was wonderful And that you were surrounded by those you

Will be filled with dreams come true...good health, prosperity, and laughter.

We have great classes scheduled for you And look forward to seeing you and welcoming our Northern friends back.

Happy January Birthdays to
